A New Chapter Begins

It brings us incredible joy that after more than a decade together, not only is Everfree Northwest still going strong, but we are flourishing. We are truly honored by the ongoing support and dedication of each member of our community.

With the evolution of the My Little Pony fandom, we have continued to see such amazing love and unwavering support. A New Generation is here, and we have much to celebrate! Not only are we excited to welcome 18 VIP and featured guests from three beloved shows which teach about the magic and power of friendship; we are equally eager to welcome this beautiful and diverse community to come together and embody that friendship.

Everfree Northwest has always been about bringing Equestria to Earth for three days a year, but we would be nothing without the individuals of this fandom. Everfree's growth and success are all thanks to our dedicated staff, generous sponsors, creative vendors, brilliant and vibrant community guests, talented musicians, and unforgettable attendees. We may bring Equestria to Earth, but it's you who brings the magic.

As we welcome everyone to Everfree Northwest 2023, we encourage each of you to find a new experience and make a new friend this weekend. Attend a new panel, check out the music events, visit the vendor hall, learn to play a new game in the tabletop or video gaming room, and invite someone to join you for your favorite parts of con! Share and make memories with the beautiful people around you.

Thank you for being a part of our story, and we look forward to making memories with you all.

Code of Conduct & Policies

Our goal at Everfree Northwest is to bring Equestria to Earth in every way possible. Just as the land of Equestria has rules to help guide its citizens to a safe, friendly and harmonious way of life, Everfree Northwest has rules to help everypony enjoy the event. Please keep these rules in mind so that we can work together to create a pleasant experience that all can enjoy.

The following is a consolidation of our event policies, which can be found in full online: <https://everfreenw.com/about/policies/>. Attendees are expected to comply with all of the listed policies while attending Everfree Northwest 2022. Attendees must also comply with hotel policies as well as all applicable federal, state, and local laws.

- Failure to comply will result in corrective action, restriction of access, or revocation of membership without refund or reissue. In extreme cases, local law enforcement may be summoned. Any and all inquiries regarding Everfree Northwest or its policies may be brought to the Info Desk.

COVID-19

- Due to the high-traffic and congested nature of our vendor hall, well-fitting masks/face coverings are required to be worn by all attendees over the age of three years.
- Masking policies in the autograph room will be up to the discretion of each individual VIP guest. Any VIP guest may request masking in their autograph area.
- Masks must cover both the nose and mouth and may only be removed (for a reasonable amount of time) while eating/drinking. Face shields alone do not meet the mask requirement. This policy applies to everyone, regardless of vaccination status.
- Mask usage in all other convention spaces, as well as up-to-date vaccination are highly recommended, but not required.

Behavior

- Everfree Northwest has adopted a "PG" rating, which is to be considered at all times and in all areas of the convention, unless expressly stated otherwise.
- Please remember that minors and young children do attend EFNW along with their parents/guardians, so we ask that all attendees help us maintain a safe, family-friendly environment and refrain from cursing, violence, and other inappropriate behavior.
- Harassment of any kind will not be tolerated, including behavior that intentionally annoys, threatens, or frightens others.
- If you experience or witness offenders, please notify an Everfree Northwest staff member immediately.

Abandoned Items

- All attendees and other parties agree that Everfree Northwest is not responsible for any personal property left in the convention space. Any lost items found will be turned over to the host venue and may be reclaimed at the front desk. If you think you left something behind, you may call (206) 246-8600.

Badges, Cosplay and Props

- Badges must remain visible at all times within convention space.
- Cosplay must be appropriate for viewers of all-ages.
- Props that resemble weapons must be visibly tagged by Everfree Northwest staff at our Info Desk before being permitted in convention space.
- In addition to local and Federal ordinances, the following are considered weapons, and, regardless of any license, are NOT permitted in convention space:
 - anything capable of firing projectiles (including springs and compressed air)

Badges, Cosplay and Props cont.

- anything capable of cutting skin with moderate pressure (even plastic)
- All props must be reasonably PG-rated and avoid weapon realism. This includes simulated blood or gore.
- Brandishing or play-fighting with props will result in the immediate removal of offenders from convention space.

Unmanned Aerial Vehicles

- The use of any unmanned aircraft systems, including, but not limited to, drones for recreational use, is expressly prohibited at Everfree Northwest.

Hotel Polices

- All attendees and guests of the hotel must follow all hotel polices.
- This includes all noise polices. If hotel staff or Everfree Northwest staff ask you to close your door or lower your volume, you must do so, or surrender your badge.

Drugs and Alcohol

- Alcoholic beverages are strictly prohibited in the convention space except in designated areas.
- Any illegal substances or paraphernalia will be reported to the appropriate authorities if discovered by Everfree Northwest staff.
- Despite recent legislation in Washington State, the recreational use of marijuana is not permitted on hotel grounds.
- Individuals visibly under the influence of drugs or alcohol will be escorted from convention space pending further consequences.

Foals

- Children under the age of 13 receive a Foal badge free of charge, but must be accompanied at all times by a parent or guardian who has made contact information available to Everfree Northwest staff.
- All guardians must be age 18 or older and must have purchased a membership to the convention.

Please be advised that Everfree Northwest and its associated parties are not responsible for the supervision of minors at the convention, and by registering or attending the convention, all parties understand and agree to this limitation.

- Everfree Northwest reserves the right to grant or deny approval for all photography or audio/video recording requests, and permissions may be retracted at any time.
- By registering for the convention, all attendees are giving their permission to Everfree Northwest and all parties associated with it to use, in any manner, any images, sound, or video captured during events related to the convention.

Charity Auction

One of our most cherished traditions returns again this year as we auction off the donations of amazingly generous people to the highest bidder, all to help generate a lasting impact on our community.

The proceeds from the auction, combined with other fundraising efforts during the event and throughout the year, benefit our carefully selected annual charity. To date, our attendees and staff have helped raise over \$180,000 to benefit local and national charity organizations. For 2023, we are proud to announce that charity donations will benefit **Washington Autism Alliance** (<https://washingtonautismalliance.org>).

Our Impact

Washington State has an estimated 130,000 children, youth, adolescents and adults living with ASD, with nearly half of them from low-income families. We want every one of them, rich or poor, to have an equal chance to thrive and succeed in life. With your support, WAA can:

- Expand individual and systemic legal advocacy in healthcare and education through partnerships and a flexible fee structure.
- Eliminate barriers to care through legal, legislative and grassroots partnerships.
- Empower individuals and families through a network of social support and self-advocacy.
- Pilot and scale training programs for primary care and behavioral health providers.

Thanks to the generosity of people like you, this is what WAA has been able to accomplish in the past year:

- Empowered 3,200 families through counseling, trainings and resources to secure treatment funding through private insurance and to secure effective services in public schools throughout the state.
- Made headway with the Office of Insurance Commissioner to issue regulations on how insurance companies should address external appeals.
- Advocated for better training and a career path for para-educators.
- Advocated for over 1.5 million dollars in funding developmental and autism screening for toddlers suspected of having autism.

We could not do this without your support and donation! Your willingness to support and honor those with Autism will change the world! Thanks for being part of something bigger than all of us!

– Arzu Forough, President & CEO
